The Ptil Tekhelet Organization

Don't miss the amazing story of how...

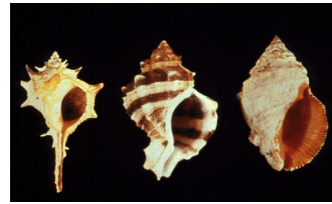

a Pharaoh,

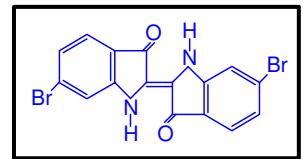

a Roman Soldier,

three snails,

a
molecule,

and the sun

come together to make a simple blue thread called....

תכלת

Join us for the ultimate family experience – combining Torah and fun.

Learn Jewish history, biology, chemistry, halacha.

Get your feet (and body) wet **snorkeling** for the coveted hillazon in its local habitat.

Actually dye wool from the hillazon.

(00:00) Arrive, Self-Tour of Museum

(00:30) Video

(01:00) Hands-on Dye Procedure

(02:00) Snorkel

(03:00) Conclude

Directions:

A map can be found at www.tekhelet.com/NachsolimMap.gif

When coming from the coast hwy (2) you must get off at the Zichron Yaakov Exit and follow the road east. The first light is the old coast hwy (4), turn left to go north. Follow the road past Fureidis (village on your right) and then look for the sign that says "Dor/Nachsholim"; make a left and follow this road all the way till you come to a parking lot. Just before the parking area there is a gate on the right with the words "Malon Nachsholim"; pull up to the gate, press the buzzer and tell them you are going to the museum or "beit mizgaga" (glass factory). Once inside the gate, park where ever you can (there is additional parking immediately to the right when you come through the gate and this brings you even closer to the "beit mizgaga" where we meet). Follow the pathways to the museum or "beit mizgaga".
